### Moisture Management

Garments displaying this symbol have the RITEMATE Moisture Management technology designed to draw moisture to the surface of the fabric to quickly evaporate keeping the wearer dry and comfortable. The fabric's polyester face construction aids in the Moisture Management process with the cotton back adding an ultra comfortable cool finish.

### UPF 50+

Garments displaying this symbol meet the AS/NZS 4399:1996 standard for UPF 50+.

### Air Vented

Garments displaying this symbol have the RITEMATE Air Vented cooling system design by combining our 100% cotton light weight mini twill with 100% cotton mesh air vents at the underarm and shoulder positions.

### Hi Viz daytime use only

Garments displaying this symbol meet AS/NZS 1906.4 for fluorescent and non fluorescent materials.

### Hi Viz day and night use

Garments displaying this symbol meet AS/NZS 1906.4 for fluorescent and non fluorescent materials with reflective properties.

RITEMATE Air Vented cooling system
